

## HALF TERMLY FOCUS

Y3

Autumn 1 2024

### MATHS

Ordering and sequencing numbers to 100.  
Counting in multiples of 4.  
Recall and use multiplication facts for the 3 and 4 times tables.  
Partitioning two digit and three digit and three digit numbers.  
Adding and subtracting both two digit and three numbers both practically and mentally,  
Write the time using an analogue clock and a 12 hour clock.  
Begin to use statistics.

### ENGLISH

We will be looking at a twist on traditional tales and reading the story of  
The true story of the three little pigs by Jon Scieszka  
Little Wolfs book of badness by Ian Whybrow  
Cinderella boy By Kristina Meister.  
We will be writing character profiles, writing letters, narratives and blogs.

### FOUNDATION SUBJECTS

#### Design Technology:

Food technology, making a healthy lunch and what this might consist of.- final product will be a healthy wrap.

#### Geography:

Water, water everywhere.  
We will be learning about rivers and looking at different maps Work with a range of data gathered from fieldwork.  
Interpret geographical information such as maps, diagrams, and globes.  
Communicate geographical information through maps, numbers, and writing.

#### Music

We will be listening to music in the style of Baroque, learning musical notes and how to play the glockenspiel.

### SCIENCE

We will be learning about animals including humans and understanding what both need to survive and about nutrition.

#### Computing

We will be learning how to code using scratch and make an algorithm to make a car move.  
They will also be logging on and off and saving work into a folder.

#### P.E-

Manipulation skills.

### RE-

Concept: Creation and Creation stories

#### French-

J' apprends le Francais  
I am learning French.

### PSHE

Me and My relationships- Looking at school rules, special people, team work and friendships.

## Ideas to support continued learning at home

Reading for ten minutes every day. Practising new common exception words.

Practising numbers that add up to 100 (Number bonds)

Addition and subtraction of two and three digit numbers.

Telling the time using both analogue and 12 hour clocks.

Understanding money and its value.

Place value of three digit numbers using

## Trips/Visits/Events/Routines/ Notes to parents

Class Trip to Pig Leg Lane Wednesday 25<sup>th</sup> September- Wellies or old trainers will be needed. More Details to follow.

Swimming will be every Tuesday for the next ten weeks.

Library will be on a Friday.

Reading books will be changed on Mondays and Thursdays.

Please remember to bring in a water bottle and your own snack for break time.

Please could children bring a pair of wellies into school that can remain here for the year as we will be going outside throughout the year as part of our science learning.
