

## HALF TERMLY FOCUS

Y4

Autumn 2 2025

### MATHS

Fractions

Geometry: 2D shapes, angles, symmetry

Measurement: Length and Mass

Measurement: Time

### ENGLISH

Non chronological report, character description, recount

Oral - Presenting ideas and writing to the class

Handwriting—improving cursive skills and presentation

Year 4 Age Related Expectations spelling and grammar

### SCIENCE

Developing scientific enquiry through investigations based on teeth and digestion.

### Computing

Continuing with creating a quiz using code and then moving on to create a game using code.

### FOUNDATION SUBJECTS

#### History

Learning about Anglo Saxons and Scots. Focusing on when they invaded, where they settled and the jobs they had. We will look at different artefacts from the time period and discuss what they are and how they were used. We will discuss the changes that happened in Britain as a result of the invasion. For example, changes to culture, religion, etc.

#### Art

We will look at Bayeux tapestry and discuss the skills needed to create this. The children will learn how to draw and paint using a continuous line as well as explore mono printing.

#### Music

We are continuing to learn how to play the recorder and will be listening and apprising classical and jazz music, as well as singing songs related to Christmas.

### RE

We will be exploring the meaning of *Holy* and looking at Holy: Mary, mother of God.

### PSHE

A focus on growing and changing and developing a Growth Mind-set.

#### Ideas to support continued learning at home

Please practice times tables at home in preparation for the Multiplication Tables Check.

#### Useful websites for times tables:
